Address: 2843/A, Pahala Bomiriya, 10640, Kaduwela, Sri Lanka (Home)

ABOUT ME

Born in 2000 and currently 26, I work mainly within the .NET ecosystem, where I enjoy bringing clarity into complex systems from API development to integrating services, to building AI-powered features for modern web platforms.

WORK EXPERIENCE

SOFTWARE DEVELOPER – SUPERJEWELER.COM, INC. – 01/01/2023 – Current – REMOTE, UNITED STATES

- Designed, developed, and maintained **web applications** using **ASP.NET MVC, .NET Core, and .NET Framework**, following layered and N-tier design principles.
- Developed and consumed **RESTful APIs**, including integration of **third-party services** such as payment gateways (Amazon Pay) and external SDKs.
- Designed, implemented, and optimized **database solutions** using **MySQL, SQL Server, and MongoDB**, ORM (Entity Framework and NHibernate).
- Contributed to the development of **e-commerce platforms**, including product management, checkout flows, refunds, and admin panel features.
- Built and maintained **responsive user interfaces** using **Bootstrap** and ensured cross-browser and cross-device compatibility.
- Wrote **unit tests**, performed debugging, and refactored existing code to improve performance, reliability, and maintainability.
- Collaborated with team members and to gather requirements, participate in code reviews, and deliver features within agreed timelines.
- Maintained technical documentation and followed **version control best practices** using Git and SVN.
- Assisted with deployment activities and troubleshooting issues in production and test environments.

GRAPHICS DESIGNER – SUPERJEWELER.COM, INC. – 17/04/2021 – 31/12/2022 – REMOTE, UNITED STATES

- Designed **digital banners and marketing creatives** for web and social media platforms in line with brand guidelines.
- Edited and retouched **photos and visual assets** using **Adobe Photoshop** to ensure high-quality output.
- Created and edited **promotional and informational videos**, including basic motion graphics and visual enhancements.
- Prepared visual content optimized for different platforms, ensuring correct formats, resolutions, and aspect ratios.
- Uploaded, organized, and managed video content on the **company YouTube channel**.
- Maintained the YouTube channel by updating titles, descriptions, thumbnails, and tags to improve visibility and consistency.
- Collaborated with marketing and content teams to deliver visuals aligned with campaign objectives and deadlines.

VOLUNTEERING

01/01/2026 – 01/01/2026

.NET Entity Framework Core official documentation Contribution

I contributed to open-source .NET Entity Framework Core official documentation.

● EDUCATION AND TRAINING

01/01/2025 – 05/08/2025 Bedfordshire , United Kingdom
BSC (HONS) COMPUTER SCIENCE University of Bedfordshire

- **Project & Strategic Management:** Mastery of **Social and Professional Project Management**, with the ability to lead multi-disciplinary teams and manage complex software and network lifecycles.
- **Research & Innovation:** Proficient in applying **Research Methodologies** to analyze **Emerging Technologies** and conducting independent scientific inquiry through a comprehensive **Undergraduate Project**. (Focused on Artificial intelligent embedded E-commerce platform)
- **Technical Problem-Solving:** Ability to apply contemporary engineering methods to configure, troubleshoot, and optimize high-performance network systems.
